

Jennifer C. Veilleux, Ph.D.

Department of Psychological Science
216 Memorial Hall
University of Arkansas
Fayetteville, AR 72701
Phone: (479) 575-5329
Fax: (479) 575-3219
jcveille@uark.edu

Professional Positions

2017-present Associate Professor, Department of Psychological Science (University of Arkansas)
2011-present Assistant Professor, Department of Psychological Science (University of Arkansas)
2013-present Licensed Psychologist, State of Arkansas (License No. 13-08P)

Education

2011 Doctor of Philosophy, Clinical Psychology, University of Illinois at Chicago
Dissertation: *Affective Chronometry of Cue-Induced Cigarette Craving*

2011 APA-Accredited Predoctoral Clinical Internship
Southwest Consortium, Albuquerque, New Mexico

2007 Master of Arts, Clinical Psychology, University of Illinois at Chicago
Thesis: *Specificity in Positive Affect: Lessons from Laboratory Emotion Induction*

2004 Post-BA Coursework in Psychology, University of Minnesota

1999 Bachelor of Arts, Dramatic Arts, Macalester College

Awards/Distinctions

2015 & 2017 Provost Faculty Travel Assistance Award

2015 Robert C. and Sandra Conner Endowed Faculty Fellowship (J. William Fulbright College of Arts and Sciences, given to a junior faculty who excels in teaching, research and service)

2014 Faculty of the Year Award (Associated Student Government & Residents Interhall Congress, University of Arkansas)

2013-2014 SEC Faculty Travel Grant (Office for Research and Economic Development, University of Arkansas)

2012 Golden Tusk Award (Division of Student Affairs, University of Arkansas)

2011 K. Patricia Cross Future Leaders Award (Conference travel and membership, Association of American Colleges and Universities)

2010 Award for Excellence in Clinical Psychology (UIC Dept. of Psychology)

2009 Liberal Arts and Sciences Alumni Association Merit Award (UIC Alumni Association)

2009 Harry S. Upshaw Award for Excellence in Teaching (UIC Psychology Department)

Active and Submitted Grant Support

- 2019-2022 Co-Investigator, IMPACT Arkansas: Integrating Medical and Psychological Accessible Care to Treat the Behavioral Health and Substance Use/Opioid Use Needs of Underserved Arkansans. [Bridges, A. J. (PI), Ham, L. S. (Co-I), Feldner, M. T. (Co-I), Veilleux, J. C. (Co-I), Cavell, T. A. (Co-I), Dopp, A. R. (Consultant), Lusk, S. (Consultant), & Mancino, M. J. (Consultant)]. Department of Health and Human Services/Health Resources and Services Administration, Graduate Psychology Education, total cost = \$1,180,055 (awarded).
- 2019-2020 Principal Investigator, Council of University Directors of Clinical Psychology. *Development of standardized supervisee framework for assessing competency of supervisor trainees*. \$3263. Funded
- 2018-2020 Principal Investigator, National Institute on Drug Abuse. *Dynamic motivational processes underlying smoking quit intentions*. \$110,000. Funded.
- 2018-2019 Co-Investigator. Arkansas Biosciences Institute. *Negative urgency and state-level fluctuations in alcohol cognitions: An experimental examination of mechanisms underlying addictive behaviors*. [Ham, L. S. (PI), Wolkowicz, N. (Co-I)]. \$3000. Funded.

Completed Grant Support

- 2017-2018 Principal Investigator, Arkansas Biosciences Institute. *Dynamic distress tolerance fluctuations in daily and intermittent smokers*. \$27,000. Funded.
- 2016-2017 Principal Investigator, Federal Loan Repayment Program, National Institute of Health (NIDA). *Unpacking temptation: Cue-exposure and motivational factors contributing to self-control in parallel studies of smokers and compulsive overeaters*. Renewal funded.
- 2015-2017 Principal Investigator, Integrated Philosophy and Science of Self-Control (via Florida State University and the John Templeton Foundation). *Identification of disfavored desires: Acceptance versus alienation of temptations as influencing self-control decisions*. \$142,000. Funded.
- 2014-2016 Principal Investigator, Federal Loan Repayment Program, National Institute of Health (NIDA). *The effects of cue exposure on general self-control processes: Motivational factors in a transdiagnostic examination of behavioral responses to smoking, alcohol and food cues*. (Lindsay Ham, Mentor). Funded.
- 2015-2016 Co-Principal Investigator, Provost's Collaborative Research Grants. *Reasons for and barriers to hydration*. \$1500. Funded.
- 2014-2015 Principal Investigator, Arkansas BioSciences Institute. *Examination of cue exposure as a mechanism for depleting self-control resources in smokers varying in quit interest*. \$22,063 in direct costs to the University of Arkansas.
- 2014 Marie Howells Summer Writing a Grant, University of Arkansas Department of Psychological Science. *The Effect of Cue Exposure on Self-Control Processes: A Multi-Domain Analysis*. Summer Salary.
- 2010 Principal Investigator, Dissertation Grant, Society for the Science of Clinical Psychology (SSCP), *Affective Chronometry of Cue-induced Cigarette Craving*. \$500
- 2009 Principal Investigator, Provost's Award for Graduate Research, University of Illinois at Chicago, *Affective Chronometry of Cue-induced Cigarette Craving*. \$2500.
- 2009 Principal Investigator, American Psychological Association Dissertation Research Award, *Affective Chronometry of Cue-induced Cigarette Craving*. \$1000.
- 2008 Principal Investigator, Psi Chi Graduate Research Grant, *Inducing Specific Positive Emotions: The Effects of Mental Imagery Versus Verbal Thought*. \$500

Submitted but Unfunded Grants

- 2016 Honors College Technology & Equipment Grant
- 2015 Principal Investigator, National Institute on Drug Abuse. *Motivational factors influencing the effect of temptation on self-regulation failure in smokers and binge eaters*. \$297,000. Submitted October 2015.

- 2015 Principal Investigator, National Institute on Drug Abuse. *Cue exposure and motivational factors in the self-regulation of smokers and compulsive over-eaters*. \$200,000. Submitted June 2014, resubmitted October 2015.
- 2015 Co-Investigator, National Institute of Health Small Business Innovation Research (PI: Headwaters Institute; Co-I: Matthew Ganio, Department of Human Health and Recreation). *Prevention of Dehydration in Older Adults*. \$35,649 in direct costs to the University of Arkansas. Submitted November 2014.
- 2012 Principal Investigator, Arkansas BioSciences Institute. *The influence of specific emotion regulation strategies on craving and subsequent behavioral distress tolerance in cigarette smokers*. \$22,815 in direct costs to the University of Arkansas.

Professional Conference Presentations

*indicates mentored graduate student co-author

+indicates mentored undergraduate student co-author

- Veilleux, J. C.**, *Warner, E. A., & *Baker, D. E. (2020, May). Do beliefs about emotions change during emotional states? Oral presentation submitted for annual meeting of the Association of Psychological Science, Chicago, IL.

- Veilleux, J.C.** (2020, May). Don't stop believing about emotions: Extending knowledge about how beliefs about emotion influence emotional functioning. Chaired symposium submitted for presentation at the annual meeting of the Association of Psychological Science, Chicago, IL
- Veilleux, J. C.** (2020, March). Clinic and training program procedures to support the student clinician following a client death. Presentation submitted for the annual Association of Psychology Training Clinics conference, Albuquerque, NM.
- +Heiland, A. M., & **Veilleux, J. C.** (2020, February). Because you had a bad day: The role of negative affect and justification in self-control failure. Poster to be presented at the annual conference of the Society for Personality and Social Psychology, New Orleans, LA. **Finalist for the 2020 SPSP Undergraduate Poster Competition.**
- +Hamaker, A., *Schreiber, R., & **Veilleux, J. C.** (2020, February). The role of interpersonal emotion regulation strategies in linking emotional reactivity with perceived invalidation. Poster to be presented at the annual conference of the Society for Personality and Social Psychology, New Orleans, LA.
- +Heiland, A. M., *Warner, E. A., *Chamberlain, K. D., *Baker, D. E., & **Veilleux, J. C.** (2020, February). Severity of personality dysfunction predicts affect and self-efficacy in daily life. Poster to be presented at the emotion preconference of the Society for Personality and Social Psychology, New Orleans, LA.
- *Baker, D. E., & **Veilleux, J. C.** (2020, February). Justify my love (of pizza): The influence of desire terminology and goal focus on justification to indulge. Poster to be presented at the annual conference of the Society for Personality and Social Psychology, New Orleans, LA.
- +Adams Reimer, L., & **Veilleux, J. C.** (2020, February). Moral foundations of stigma toward mental illness in a religious context. Poster to be presented at the annual conference of the Society for Personality and Social Psychology, New Orleans, LA.
- *Warner, E., & **Veilleux, J. C.** (2020, February). Behavioral Avoidance of Distressing Situations (BADs): Development of a new measure of experiential avoidance. Poster to be presented at the annual conference of the Society for Personality and Social Psychology, New Orleans, LA.
- *Hill, M. A., +Geels, C., & **Veilleux, J. C.**, (2019, November). The role of motives for negative emotions in the relationship between psychopathic traits and sadomasochistic fantasies. Poster to be presented at the annual conference of the Association for Behavior and Cognitive Therapies, Atlanta, GA.
- *Skinner, K. D., & **Veilleux, J. C.** (2019, May). Daily emotional dynamics predicting eating behavior in chronic dieters. Oral presentation given at the annual conference of the Association for Psychological Science, Washington, D. C.
- +Heiland, A. & **Veilleux, J. C.** (2019, April). Does the discrepancy between desired and experienced emotions account for the link between distress tolerance and symptoms of psychopathology? Oral presentation given at the annual conference of the Arkansas Symposium for Psychology Students, Conway, AR.
- *Hill, M. A., & **Veilleux, J. C.** (2019, March). The role of sadomasochistic fantasies in the relationship between psychopathic traits and sexual compulsivity. Poster presented at the annual conference of American Psychology-Law Society, Portland, OR.

- Veilleux, J. C.**, *Skinner, K. D., *Hill, M. A., *Spero, K. D., *Baker, D. E. (2019, February). Momentary affect predicts fluctuations in self-reported state willpower. Poster presented at the annual conference of the Society for Personality and Social Psychology, Portland, OR.
- *Baker, D. E. & **Veilleux, J. C.** (2019, February). The influence of *want* vs *need* self-talk on self-control in a temptation situation. Poster presented at the annual conference of the Society for Personality and Social Psychology, Portland, OR.
- +Reimer, E., & **Veilleux, J. C.** (2019, February). Religiosity and emotion beliefs and predictors of mental health stigma. Poster presented at the annual conference of the Society for Personality and Social Psychology, Portland, OR.
- *Chamberlain, K. D., & **Veilleux, J. C.** (2019, February). Dismantling a commonly used emotion regulation strategy: Opposite to emotion action. Poster presented at the annual conference of the Society for Personality and Social Psychology, Portland, OR.
- *Warner, E., & **Veilleux, J. C.** (2019, February). Exploring the relationship between perceived maternal invalidation and drinking temptation: The role of action control. Poster presented at the annual conference of the Society for Personality and Social Psychology, Portland, OR.
- Veilleux, J. C.**, +Praseuth, A., *Pollert, G. A., *Hill, M. A., *Skinner, K. D., *Baker, D. E., & *Spero, K. D. (2018). The complex relationships between beliefs about emotion and depressive symptoms. Talk given at the annual conference of the Association for Psychological Science, San Francisco, CA.
- Veilleux, J. C.**, *Skinner, K. D., *Hill, M. A., *Pollert, G. A., *Spero, K. D. & *Baker, D.E. (2018, May). Not (just) a trait: Distress intolerance changes over time and predicts emotion dysregulation. Talk given at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- *Skinner, K. D., & **Veilleux, J. C.** (2018, May). Terms of desire: How different are *urge*, *desire*, *craving* and *temptation*? Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- *Baker, D. E., & **Veilleux, J. C.** (2018, May). Effects of self-talk and goal orientation on dedication of time to a long-term goal versus temptation. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- *Spero, K. D. & **Veilleux, J. C.** (2018, May). Conceptualizing emotional processes predicting maladaptive emotion regulation strategies. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- +Praseuth, A., & **Veilleux, J. C.** (2018, May). Implicit theories of emotions versus implicit theories of happiness. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- *Hill, M. A., & **Veilleux, J. C.** (2018, May). Don't fight it, justify it: Justification facilitates self-control failure. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- +Squires, A. & **Veilleux, J. C.** (2018, May). Nicotine dependence predicts abstinence self-efficacy via perceived consequences of smoking while moderated by length of most recent quit attempt. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

- +Holiman, C. R., *Hill, M. A., & **Veilleux, J. C.** (2018). The role of recent changes in anhedonia mediating the relationship between trait loss of pleasure and features of borderline personality disorder. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- *Pollert, G. A., & **Veilleux, J. C.** (2018, April). Complications in the measurement of dietary restraint. Paper to be presented at the Midwest Psychological Association, Chicago, IL.
- *Skinner, K. D., *Pollert, G. A. & **Veilleux, J.C.** (2017, May). Attentional bias modification in restrained and unrestrained eaters: Learning how attention becomes biased. Poster presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- +Lankford, N. M., & **Veilleux, J. C.** (2017, May). Affecting how you feel: Individual differences in affect balance predict emotions in daily life. Poster to be presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- +Burke, K. H., *Skinner, K. D. & **Veilleux, J.C.** (2017, May). 'Minding' the gap: How beliefs about emotions may bridge the relationship between mindfulness and hazardous drinking. Poster to be presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- +Collins, A. C., *Hill, M. A. & **Veilleux, J.C.** (2017, May). How intolerance of uncertainty and emotional reactivity link trait anhedonia and suicidality. Poster to be presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- *Spero, K. D., *Baker, D. E., & **Veilleux, J.C.** (2017, May). Emotion dysregulation, mindfulness, and psychopathology: A transdiagnostic view. Poster to be presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- *Baker, D. E., *Spero, K. D., & **Veilleux, J.C.** (2017, May). Linking emotional reactivity and hazardous alcohol use: A serial mediation model. Poster to be presented at the annual meeting of the Association for Psychological Science, Boston, MA.
- +Collins, A. C., +Walker, A. P., & **Veilleux, J. C.** (2017, April). Uncontrolled eating: A mediating factor between impulse control difficulties and binge eating. Oral presentation at the annual meeting of Arkansas Symposium for Psychology Students, Conway, AR.
- Veilleux, J. C.** & *Skinner, K. D. (2017, March). Separating craving to cues from presentation of cues in predicting self-control for both smokers and drinkers. Poster presented at the annual meeting of the Collaborative Perspectives on Addiction, Albuquerque, NM.
- +Walker, A. P., & **Veilleux, J. C.** (2016, October). Emotion constraint: A mediating factor between belief in powerful others and impulsivity. Poster presented at the annual meeting of the Arkansas Psychological Association, Conway, AR.
- Veilleux, J. C.** (2016, October). Distress intolerance: Novel approaches with transdiagnostic implications. Symposium chaired at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- Veilleux, J. C.**, *Pollert, G. A., Zielinski, M. J., *Shaver, J. A., & +Hill, M.A. (2016, October). Tolerance to negative emotional images. Oral presentation at the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Hill, M. A., & **Veilleux, J. C.** (2016, October). Different when distressed: The effect of mood and self-regulation symptoms on emotion beliefs. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.

- *Pollert, G. A., & **Veilleux, J. C.** (2016, October). A tale of two constructs: Brief measures of dietary restraint. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Skinner, K. D., & **Veilleux, J. C.** (2016, October). Restrained eating and self-control in bulimia nervosa: Facets of emotional dysregulation as unique mediators. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Shaver, J. A., & **Veilleux, J. C.** (2016, October). Acceptance as change: Comparing the effects of self-validation and distancing in a healthy sample. Poster presented at the the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Zielinski, M. J. & **Veilleux, J. C.** (2016, October). Validation of the Perceived Invalidation of Emotion Scale (PIES). Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Shaver, J. A., *Pollert, G. A., & **Veilleux, J. C.** (2016, October). Comparing the effects of self-validation and distancing in a healthy sample. Oral presentation given at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Chamberlain, K.D., +Lankford, N. M., & **Veilleux, J. C.** (2016, October). Emotional reactivity and emotion dysregulation: The importance of beliefs about emotion. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Zielinski, M. J., **Veilleux, J. C.**, & Reese, E. D. (2016, October). Does emotion invalidation cause emotion dysregulation? Oral presentation given at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Baker, D. E., Edmonds, K., Kosloff, S., & **Veilleux, J. C.** (2016, October). Dispositional predictors of vulnerability among substance abusers entering long-term residential treatment. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, NY.
- *Zielinski, M. J. & **Veilleux, J. C.** (2016, May). The perceived invalidation of emotion scale (PIES): Development and psychometric properties. Poster presented at the annual meeting of the Association of Psychological Science, Chicago, IL.
- *Chamberlain, K. D., & **Veilleux, J. C.** (2016, May). Grit and desire: What does impulsivity have to do with it? Poster presented at the annual meeting of the Association of Psychological Science, Chicago, IL.
- +Hill, M. A, *Zielinski, M. J., & **Veilleux, J. C.** (2016, May). Dwell a little longer: Rumination as a partial mediator between borderline features and acquired capability for suicide. Poster presented at the annual meeting of the Association of Psychological Science, Chicago, IL.
- Dunaway, M., Salem, T., Kilgore, J., **Veilleux, J. C.**, & Winer, E. S. (2016, May). Investigating longitudinal relationships between action control and emotion and regulation beliefs. Poster presented at the annual meeting of the Association of Psychological Science, Chicago, IL.
- *Baker, D. E., & **Veilleux, J. C.** (2016, May). How want, need, and should word framing influences desire strength for health goals and temptations. Poster presented at the annual meeting of the Association of Psychological Science, Chicago, IL.

- Veilleux, J. C.**, *Skinner, K. D., *Pollert, G. A., *Chamberlain, K.D., & *Baker, D.E. (2016, May). Desire to smoke and desire to quit: How goal conflict relates to self-regulation in cigarette smokers. Oral presentation at the annual meeting of the Association of Psychological Science, Chicago, IL.
- Veilleux, J.C.** (2016, May). The siren call of substance use: Examining addictive behaviors from a self-regulation framework. Symposium chaired at the annual meeting of the Association of Psychological Science, Chicago, IL
- *Skinner, K. D., & **Veilleux, J. C.** (2016, May). A manipulation of effortful cognition to control dietary restraint: Cognitive restriction and goal-conflict as mechanisms underlying the disinhibition effect of eating behavior. Oral presentation at the annual meeting of the Association of Psychological Science, Chicago, IL.
- Salomaa, A. C., & **Veilleux, J. C.** (2016, January). Ethnicity and anxiety: The influence of emotion regulation beliefs. Poster presented at the Emotion Preconference at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- +Sprute, H., *Pollert, G. A., & **Veilleux, J. C.** (2016, January). The effects of mindfulness on restrained eating through the lens of the goal conflict model of eating behavior. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Veilleux, J. C.**, Funkhouser, E. M. (2015, December). Temptation and the self: Acceptance versus alienation as influencing self-control. Oral presentation at the Philosophy and Science of Self-Control Conference in Tallahassee, Florida.
- +Hill, M. A., *Zielinski, M. J., & **Veilleux, J. C.** (2015, November). Differences in psychopathology and quality of life in a sample of individuals with a history of suicide and/or self-injury. Poster presented at the Student Special Interest Group Expo annual meeting of the Association for Cognitive and Behavioral Therapies, Chicago, IL.
- *Shaver, J. A., **Veilleux, J. C.**, & *Pollert, G. A. (2015, November). I think, therefore I react: Testing a new model of acceptance. Poster presented at the annual meeting of the International Society for the Improvement and Teaching of Dialectical Behavior Therapy, Chicago, IL.
- *Pollert, G. A., & **Veilleux, J. C.** (2015, November). How ego-depletion affects eating behavior; an investigation into the role of attentional bias. Poster presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Chicago, IL.
- *Skinner, K. D., & **Veilleux, J. C.** (2015, November). Self-regulation in the context of eating pathology: Does asking about craving when exposed to food temptation influence general self-control? Poster presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Chicago, IL.
- +Hill, M. A., +Webb, D., *Skinner, K. D., & **Veilleux, J. C.** (2015, November). Grit and bear it! Hedonic deficits mediate the relationship between grit, suicidal behavior, and self injury. Poster presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Chicago, IL.
- +Warner, E. A., *Skinner, K. D., *Baker, D.E., *Chamberlain, K.D., & **Veilleux, J. C.** (2015, November). Considering the distinction between cue exposure and response to cues on subsequent lack of self control. Poster presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Chicago, IL.
- Reese, E. D., & **Veilleux, J. C.** (2015, November). Self-regulatory and emotion-related predictors of risky behavioral outcomes: Comparisons across smoking, drinking, self-harm frequency and binge eating.

Poster presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Chicago, IL.

- Lovett, D. E., Ham, L. S., & **Veilleux, J. C.** (2015, November). Psychometric evaluation of a standardized set of alcohol cue photographs to assess craving. Poster presented at the annual meeting of the Association for Cognitive and Behavioral Therapies, Chicago, IL.
- +Johnson, B. M., *Skinner, K. D. & **Veilleux, J. C.** (2015, October). Self-control: A mediating factor in the relationship between expressive suppression and disordered eating. Poster presented at the annual meeting of the Arkansas Psychological Association, Little Rock, AR.
- Rojas, S. M., *Skinner, K. D., & **Veilleux, J. C.** (2015, October). Disordered eating symptomatology and risk for suicidal behavior: The role of experiential avoidance. Poster presented at the 2nd annual IASR/AFSP International Summit on Suicide Research, New York City, NY.
- +Wood, J. D., +Warner, E., & **Veilleux, J. C.** (2015, May). "Can't stop drinking about you": Why self-criticism and awareness may be the key between thought suppression and hazardous drinking. Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.
- +Martin, D. P., +Pham, A. T., & **Veilleux, J. C.** (2015, May). Expect good things when it comes to smoking cessation: Smoking abstinence expectancies mediate the relationship between nicotine withdrawal symptoms and relapse vulnerability. Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.
- +Moble, A. M., +Webb, D., & **Veilleux, J. C.** (2015, May). The role of rumination, behavioral avoidance and hedonic deficit in the relationship between emotion reactivity and depression. Poster presented at the annual meeting of the Association for Psychological Science, New York, NY. **Awarded Honorable Mention (\$50) in the 2015 APS Student Caucus Research Award competition.**
- +Pham, A. T., +Warner, E. A., & **Veilleux, J. C.** (2015, April). Examining experiential avoidance as a mediator between internalized self-criticism and loneliness. Poster presented at the annual meeting of the Southwestern Psychological Association meeting, Wichita, KS.
- Veilleux, J.C.** (2015, March). Implications for self-regulation of responses to cues across alcohol, food, and smoking cues. Symposium chaired at the first International Convention of Psychological Science, Amsterdam, The Netherlands.
- Veilleux, J. C.,** & *Skinner, K. D. (March, 2015). Are you craving? The separate effects of visual cue exposure from reporting cue-reactive responses across smoking, alcohol and food cues. Paper presented at the first International Convention of Psychological Science, Amsterdam, The Netherlands.
- *Skinner, K. D., & **Veilleux, J. C.** (March, 2015). Restraint: A cognitive process or individual difference factor? A manipulation of restrained cognitive focus for unrestrained eaters. Poster presented at the first International Convention of Psychological Science, Amsterdam, The Netherlands.
- +Pham, A. P., *Skinner, K. D., & **Veilleux, J. C.** (March, 2015). Difficulties in emotion regulation as a mediator between emotion reactivity and eating disorder symptoms. Poster presented at the first International Convention of Psychological Science, Amsterdam, The Netherlands.
- +Kaufmann, A. *Skinner, K. D., & **Veilleux, J. C.** (March, 2015). Emotional clarity and non-acceptance: Key features explaining the relationship between restrained eating and borderline personality features in healthy and suicidal populations. Poster presented at the first International Convention of Psychological Science, Amsterdam, The Netherlands.

- Salomaa, A. & **Veilleux, J. C.** (March, 2015). Sexual minority status moderates the impact of beliefs about emotion on anxiety. Poster presented at the first International Convention of Psychological Science, Amsterdam, The Netherlands.
- *Pollert, G. A., & **Veilleux, J. C.** (February, 2015). The differential effect of attention toward reward on eating behavior between depleted and non-depleted individuals. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Long Beach, CA. **Winner of SPSP Travel Award (\$500).**
- +Mobley, A. M., +Bhagat, C., *Skinner, K. D., & **Veilleux, J. C.** (November, 2014). Drinker status moderates the effect of beliefs about emotion on the relationship between access to emotion regulation strategies and alcohol dependence. Poster presented at the Substance Use Special Interest Group (SIG) at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA
- +Webb, D. J., *Shaver, J. A., & **Veilleux, J. C.** (November, 2014). Does psychological flexibility mediate the relationship between intolerance of uncertainty and anxiety? Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- *Shaver, J. A., & **Veilleux, J. C.** (November, 2014). The link between judging emotions and emotion regulation difficulties: Roles of meta-distress, experiential avoidance, and emotional clarity. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA
- *Skinner, K. D., +Pham, A. T. & **Veilleux, J. C.** (November, 2014). Temptation restraint and compulsive drinking: A goal conflict model of alcohol dependence in current smokers and non-smokers. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- +Reese, E. D., & **Veilleux, J. C.** (November, 2014). Relationships between cigarette craving beliefs, craving motives, and abstinence self-efficacy differ for regular and light smokers. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- +Kauffman, A. A., *Skinner, K. D., *Pollert, G. A., & **Veilleux, J. C.** (November, 2014). A serial mediation model of internalized self-criticism and binge eating: Highlighting the role of restraint, food craving, and experiential avoidance. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- +Sprute, H. J., *Pollert, G. A., & **Veilleux, J. C.** (November, 2014). Does maternal invalidation predict eating disorder diagnoses via self-criticism? Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- *Zielinski, M. J., & **Veilleux, J. C.** (November, 2014). Rejection sensitivity as a mediator of the relation between borderline features and social support in healthy college students. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- *Skinner, K. D., & **Veilleux, J. C.** (November, 2014). An online manipulation of restricted cognitive focus about food: Preliminary evidence to suggest dietary restraint may be more than an individual difference. Poster presented at the *From Abstract to Contract* Graduate Research Symposium at the University of Arkansas.

- +Pham, A.T., +Martin, D. P., & **Veilleux, J. C.** (October, 2014). Thought suppression: A mediating factor between self-control and distress tolerance. Poster presented at the annual meeting of the Arkansas Psychological Association, Little Rock, AR.
- +Kauffman, A. A., Webb, D. J., & **Veilleux, J. C.** (October, 2014). Regulation and appraisal of distress mediate the relationship between emotion reactivity and difficulties in emotion regulation. Poster presented at the annual meeting of the Arkansas Psychological Association, Little Rock, AR. **Winner of 2nd Place Poster Award.**
- +Wood, J. & **Veilleux, J. C.** (October, 2014). Mindfulness as a mediator between emotional reactivity and depression or anxiety: The maladaptive consequences of self-critical beliefs. Poster presented at the annual meeting of the Arkansas Psychological Association, Little Rock, AR.
- +Warner, E. A., & **Veilleux, J. C.** (October, 2014). Negative abstinence expectancies as a partial mediator for the relationship between willpower beliefs and self-efficacy for smoking cessation. Poster presented at the annual meeting of the Arkansas Psychological Association, Little Rock, AR.
- Jacobs, S. C., Shen-Miller, D. S., Schwartz-Mette, R., & **Veilleux, J.C.** (2014, August). Intersections of diversity, trainees with competence problems, and faculty responses: Peer views. Paper presented at the American Psychological Association in Washington, D. C.
- +Kauffman, A. A., *Pollert, G. A., & **Veilleux, J. C.** (2014, May). Uncontrolled eating mediates the relationship between willpower and emotion beliefs and eating disorder symptoms. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, C.A. **Winner of Psi Chi APS Research Award (\$300).**
- +Wood, J. M., & **Veilleux, J. C.** (2014, May). Don't be so hard on yourself! Why self-criticism is the key between behavioral inhibition and depression for people with high emotional reactivity. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, C.A.
- +Pham, A. T., **Veilleux, J. C.**, *Zielinski, M. J., Nadorff, M. R., & Winer, E. S. (2014, May). Is anhedonia a mediating factor between depression and suicidal and self-injury ideation? A longitudinal analysis. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, C.A. **Winner of Psi Chi APS Research Award (\$300).**
- +Salomaa, A. C., & **Veilleux, J. C.** (2014, May). Beliefs about emotion differentiate clinical and healthy groups. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, C.A.

Schwartz (Chair), Pedagogical approaches in the psychology and law classroom. Symposium at the annual meeting of the American Psychology/Law Society, Tampa, FL.

Teaching Experience and Invited Presentations

Graduate Courses

Clinical Seminar: Emotion in Psychotherapy (Instructor; Fall 2016)

Clinical Practicum Special Topic: Supervision & Consultation (Instructor; Spring 2015; Fall 2015; Fall 2016; Spring 2018, Fall 2018)

Clinical Practicum (Instructor; Summer 2012-Fall 2012; Summer 2013; Spring 2015; Summer 2015; Summer 2016)

Personality Theory & Assessment (Instructor, Spring 2015; Spring 2016; Spring 2017; Spring 2018; Fall 2019)
Personality Theory and Disorder (Instructor; Spring 2012, 2013)
Practicum in Psychological Assessment (Graduate Assistant; Fall 2008-Spring 2009)
Clinical Interviewing (Graduate Assistant; Fall 2006; Fall 2007)

Undergraduate Courses

Personality Psychology [ONLINE] (Instructor; Fall 2017)
Abnormal Psychology (Instructor, Fall 2013, Spring 2019)
Advanced Seminar: Emotion and Self-Regulation (Instructor; Spring 2014; Fall 2015; Spring 2016; Spring 2017; Fall 2019)
Introduction to Statistics for Psychologists (Instructor; Fall 2011-Spring 2012; Intersession May 2015; Intersession January 2016; Intersession May 2016; Intersession May 2017; Intersession January 2018; Intersession January 2019; Intersession May 2019)
Psychology of Interviewing (Instructor; Fall 2008; Fall 2013)
Research Literacy (Instructor; Spring 2019)
Research Methods (Instructor; Spring 2008; Fall 2009; Fall 2012; Spring 2013; Summer 2013)
Advanced Statistics (Lab Instructor; Fall 2007; Spring 2009; Spring 2010)

Teaching Grants Awarded

Primary Investigator [**Veilleux, J.C.** (P.I.), Chapman, K. M. (Co-I)]. *Development and Validation of a Concept Inventory to Assess Research Methods and Statistical Knowledge*. (July, 2014; Society for the Teaching of Psychology/Psi Chi Assessment Resource Grant: \$2000).
Primary Investigator [**Veilleux, J.C.** (P.I.), Chapman, K. M. (Co-I)]. *Assessment of Research Methods and Statistical Knowledge*. (October, 2013; University of Arkansas Teaching and Faculty Support Center Research in Teaching Grant: \$4490).

Teaching Grants Submitted

Co-Investigator [Chapman, K. M. (P.I.), & **Veilleux, J. C.** (Co-I)]. *Research Methods Teaching*. (October, 2013; University of Arkansas Teaching and Faculty Support Center Teaching Improvement Grant: \$2000).
Co-Investigator [Beike, D. (P.I.), & **Veilleux, J. C.** (Co-I)]. *Development of Careers in Psychology Course*. (October, 2013; University of Arkansas Teaching and Faculty Support Center Teaching Improvement Grant: \$2000).

Teaching Conference Presentations

Veilleux, J. C., & Chapman, K. M. (2015, March). Development of a concept inventory to assess research methods and statistical knowledge. Poster presented at the inaugural meeting of the International Convention of Psychological Science, Amsterdam, The Netherlands.
Veilleux, J. C. & Chapman, K. M. (2014, January). Assessment of research methods and statistical knowledge. Participant idea exchange moderated at the annual meeting of the National Institute on the Teaching of Psychology, St. Petersburg, FL.
Veilleux, J. C. (2014, January). A single construct approach to teaching research methods skills. Poster presented at the annual meeting of the National Institute on the Teaching of Psychology, St. Petersburg, FL.
Chapman, K. M., & **Veilleux, J. C.** (2014, January). The effect of mid-semester evaluations on student satisfaction in a research methods course. Poster presented at the annual meeting of the National Institute on the Teaching of Psychology, St. Petersburg, FL.

Teaching Materials Created

Veilleux, J. C., & Karlsson, M. E. (2013). Teaching for psychology trainees. Packaged presentation (lecture, notes, learning objectives, learning outcome assessment) prepared for the Veterans Affairs Psychology Training council, to be used in didactics for internship and postdoc seminars.

Invited Addresses and Guest Lectures

- Veilleux, J. C. (October, 2017). *Idiographic emotion conceptualization*. Guest didactic workshop for current pre-doctoral psychology interns at the Albuquerque VA, Albuquerque, NM.
- Veilleux, J. C. (April, 2017). *"I want it!" Motivational processes associated with craving*. Department colloquium at Mississippi State University.
- Veilleux, J. C. (April., 2017). *Beliefs about emotion and capabilities for tolerating distress: Stable individual differences or shifting across context?* Psi Chi talk given at Mississippi State University.
- Sandeen, E., & Veilleux, J. C. (January, 2013). *Empirically-supported principles vs. empirically-supported treatments*. Guest didactic workshop for current pre-doctoral psychology interns at the Albuquerque VA, Albuquerque, NM.
- Veilleux, J. C. (September, 2015). *Interpersonal effectiveness*. Guest lecture delivered to a University Perspectives course, University of Arkansas.
- Veilleux, J. C. (July, 2015). *Cognition in Psychotherapy*. Guest lecture delivered to a Cognitive Psychology course, University of Arkansas.
- Veilleux, J. C. (May, 2012). *Responding to Emotions*. Invited workshop presented as part of Synergy series of National Board for Certified Counselors (N.B.C.C.) continuing education seminars for local licensed professional counselors. Fayetteville, AR.
- Veilleux, J. C., & Shaver, J. A. (March, 2012). *The essence of Dialectical Behavior Therapy (DBT)*. Guest lecture delivered to staff at the Counseling and Psychological Services center, University of Arkansas.

Master's Theses Directed

- Danielle Baker, M. A. *How want vs need self-talk facilitates goal directed behavior*. Defended November 2017.
- Morgan Hill, B.A. *Justification effects on mood and self-control*. Defended September 2018.
- Garrett Pollert, M. A. *The role of attention in ego-depletion*. Defended December 2014.
- Kayla Skinner, M. A. *A manipulation of cognitive restriction and goal-conflict: Mechanisms underlying the disinhibition effect of eating behavior*. Defended December 2015.
- Kaitlyn Chamberlain, M.A. *Turn that frown upside-down! The effectiveness of opposite action in changing emotion*. Defended March 2019.
- Elise Warner, M. A. *The influence of beliefs about emotion on avoidance behaviors*. Proposed September 2019.
- Melissa Zielinski, M.A.: *Emotional invalidation in the laboratory setting: Emotion regulation in a healthy sample of college students and implications for the development of borderline personality disorder*. Defended April 2013.

Dissertations Directed

- Garrett Pollert, Ph.D.: *Long-term focus of attentional biases*. Defended May 2018.
- Jennifer Shaver, Ph.D.: *I judge, therefore I react: An experimental investigation of acceptance*. Defended June 2015.
- Kayla Skinner, M.A.: *Dynamics of momentary perceived self-regulation abilities as novel predictors of overeating*. Defended May 2019.
- Melissa Zielinski, Ph.D.: *The Perceived Invalidation of Emotion Scale (PIES): Development and psychometric properties*. Defended May 2016.

Undergraduate Honors Theses Directed

- Alicia Kauffman: *Tolerating discomfort and distress until depleted to desire: The effects of distress tolerance on eating behavior for restrained and unrestrained eaters*. Defended November 2014.
- Ally Heiland: *"I feel bad, so I deserve a treat": The influence of negative affect on justification thinking and self-regulation failure*. Proposed March 2019.
- Natalie Lankford: *Balancing act: How affect balance disposition influences daily emotional experience*. Defended April 2017.

- Daniel Martin: *The smoker's side of the cigarette: How participant-led data can provide new insight to smoking research*. Defended April 2016.
- Amanda Praeseuth: *Implicit theories of emotions and happiness: How they differ and what they predict*. Defended April 2018.
- Elizabeth Reimer: *I believe that Satan has ahold of you: Religious conviction and beliefs about emotion predict stigma toward mental illness*. Defended April 2019.
- Anna Salomaa: *Expanding understanding of emotion beliefs: Exploring psychological distress, state negative affect, distress tolerance depletion and parental beliefs*. Defended April 2014.
- Kayla Skinner: *Personality, drinking motives and emotion regulation: Independent predictors of alcohol use across the lifespan*. Defended April 2014.
- Hanna Sprute: *The effects of mindfulness techniques on restrained eating through the lens of the goal conflict model of eating behavior*. Defended April 2016.
- Austin Squires: *Redefining smoking quit attempts based on desire and intention*. Defended April 2019.
- Katie Welch: *Kids (Ain't Alright): College students and their parents' beliefs about emotion in relation to overparenting*. Proposed October 2019.
- Jae Dee Wood: *Music, emotion regulation, & distress tolerance: Investigating how music may influence distress tolerance in college students*. Defended April 2015.

Mentee Grants Awarded

State/Federal Awards

- Psi Chi Undergraduate Research Grant. Adams Reimer, E. (2019). [Veilleux, J. C. (Mentor)]. *You Just Need to Pray More: Prosperity Doctrine Ideology and Cognitions of God as Predictors of Stigmatization of Mental Illness*. (Awarded for research proposal; \$1500 for study expenses).
- American Psychological Association Dissertation Award. Student: Skinner, K. [Veilleux, J. C. (Mentor)]. (Awarded \$1000 toward dissertation research).
- Southern Regional Education Board Doctoral Scholars Program. Student: Baker, D. [Veilleux, J. C. (Mentor)]. Awarded stipend and tuition for five years.
- Psi Chi Unrestricted Travel Grant. Skinner, K. (2015). [Veilleux, J.C. (Mentor)]. *Restraint: A cognitive process or individual difference factor? A manipulation of restrained cognitive focus for unrestrained eaters*. (Awarded to attend the International Convention of Psychological Science: \$1500).
- State Undergraduate Research Fellowship. Salomaa, A. (2014). [Veilleux, J. C. (Mentor)]. *Expanding understanding of emotion beliefs: Exploring psychological distress, state negative affect, distress tolerance depletion and parental beliefs*. (Awarded for research project; \$1375 to student; \$750 to mentor).
- Psi Chi Undergraduate Research Grant. Skinner, K. (2013). [Veilleux, J. C. (Mentor)]. *Personality, drinking motives and emotion regulation: Independent predictors of alcohol use across the lifespan*. (Awarded for research proposal; \$1500 for study expenses).

University Research Grants

- University of Arkansas Honors Research Grant. Welch, K. (2019). [Veilleux, J. C. (Mentor)]. *Kids (Ain't Alright): College Students and their Parents' Beliefs about Emotions in Relation to Overparenting*. Awarded to conduct honors research; \$2500 to student; \$1000 to mentor
- University of Arkansas Honors Research Grant. Heiland, A. (2019). [Veilleux, J. C. (Mentor)]. *"I feel bad, so I deserve a treat": The influence of negative affect on justification thinking and self-regulation failure* (Awarded to conduct honors research; \$2500 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Squires, A. (2018). [Veilleux, J. C. (Mentor)]. *Redefining smoking quit attempts based on desire and intention*. (Awarded to conduct honors research; \$1250 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Reimer, L. (2018). [Veilleux, J. C. (Mentor)]. *I believe that Satan has ahold of you: Religious conviction and beliefs about emotion predict stigma toward mental illness*. (Awarded to conduct honors research; \$1250 to student; \$1000 to mentor).

- University of Arkansas Honors Research Grant. Praeseuth, A. (2017). [Veilleux, J. C. (Mentor)]. *Implicit theories of emotions and happiness: How they differ and what they predict.* (Awarded to conduct honors research; \$1250 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Lankford, N. (2016). [Veilleux, J. C. (Mentor)]. *Balancing act: How affect balance disposition influences daily emotional experience.* (Awarded to conduct honors research; \$2500 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Martin, D. (2015). [Veilleux, J. C. (Mentor)]. *The smoker's side of the cigarette: How participant-led data can provide new insight to smoking research.* (Awarded to conduct honors research; \$2500 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Sprute, H. (2015). [Veilleux, J. C. (Mentor)]. *The effects of mindfulness techniques on restrained eating through the lens of the goal conflict model of eating behavior* (Awarded to conduct honors research; \$2500 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Salomaa, A. (2014). [Veilleux, J. C. (Mentor)]. *Expanding understanding of emotion beliefs: Exploring psychological distress, state negative affect, distress tolerance depletion and parental beliefs.* (Awarded to conduct honors research; \$2500 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Wood, J. (2014). [Veilleux, J. C. (Mentor)]. *Music, emotion regulation, & distress tolerance: Investigating how music may influence distress tolerance in college students.* (Awarded to conduct honors research; \$1250 to student; \$1000 to mentor).
- University of Arkansas Honors Research Grant. Skinner, K. (2013-2014). [Veilleux, J. C. (Mentor)]. *Personality, drinking motives and emotion regulation: Independent predictors of alcohol use across the lifespan.* (Awarded to conduct honors research; \$2500 to student; \$1000 to mentor).

University Travel Grants

- Schroeder Travel Award. Baker, D. (2018). [Veilleux, J. C. (Mentor)]. Received \$1000 to attend substance abuse training at the Rutgers Summer School of Addiction Studies.
- University of Arkansas Honors Conference Grant. Heiland, A (2020). [Veilleux, J. C. (Mentor)]. *Because you had a bad day: The role of negative affect and justification in self-control failure.* Awarded to attend the Society for Personality and Social Psychology; New Orleans, LA \$1000.
- University of Arkansas Honors Conference Grant. Reimer, L. (2019). [Veilleux, J. C. (Mentor)]. *Religiosity and emotion beliefs and predictors of mental health stigma..* Awarded to attend the Society for Personality and Social Psychology; Portland, OR. \$1000.
- University of Arkansas Honors Conference Grant. Squires, A. (2018). [Veilleux, J. C. (Mentor)]. *Nicotine dependence predicts abstinence self-efficacy via perceived consequences of smoking while moderated by length of most recent quit attempt.* Awarded to attend the Association for Psychological Science; San Fransisco, CA. \$1000.
- University of Arkansas Honors Conference Grant. Praseuth, A. (2018). [Veilleux, J. C. (Mentor)] *Implicit theories of emotions versus implicit theories of happiness.* Awarded to attend the Association for Psychological Science; San Fransisco, CA. \$1000.
- University of Arkansas Honors Conference Grant. Lankford, N. (2017). [Veilleux, J. C. (Mentor)]. *Affecting how you feel: Individual differences in affect balance predict emotions in daily life.* Awarded to attend the Association for Psychological Science; Boston, MA. \$1000.
- University of Arkansas Honors Conference Grant. Sprute, H. (2016). [Veilleux, J. C. (Mentor)]. *The effects of mindfulness on restrained eating through the lens of the goal conflict model of eating behavior.* Awarded to attend the Society for Personality and Social Psychology; San Diego, CA. \$1000.
- University of Arkansas Honors Conference Grant. Martin, D. (2015). [Veilleux, J. C. (Mentor)]. *Expect good things when it comes to smoking cessation: Smoking abstinence expectancies mediate the relationship between nicotine withdrawal symptoms and relapse vulnerability* Awarded to attend the Association for Psychological Science; New York, NY, \$1000.
- University of Arkansas Honors Conference Grant. Pham, A. (2015). [Veilleux, J. C. (Mentor)]. *Difficulties in emotion regulation as a mediator between emotion reactivity and eating disorder symptoms?* Awarded to attend the International Convention for Psychological Science; Amsterdam, The Netherlands, \$1500).

- University of Arkansas Honors Conference Grant. Sprute, H. (2014). [Veilleux, J. C. (Mentor)]. *Does maternal invalidation predict eating disorder diagnoses via self-criticism?* Awarded to attend the Association for Behavior and Cognitive Therapies conference; Philadelphia, PA \$900).
- University of Arkansas Honors Conference Grant. Kauffman, A. (2014). [Veilleux, J. C. (Mentor)]. *A serial mediation model of internalized self-criticism and binge eating: Highlighting the role of restraint, food craving, and experiential avoidance.* Awarded to attend the Association for Behavior and Cognitive Therapies conference; Philadelphia, PA \$700).
- University of Arkansas Honors Conference Grant. Pham, A. (2014). [Veilleux, J. C. (Mentor)]. *Temptation restraint and compulsive drinking: A goal conflict model of alcohol dependence in current smokers and non-smokers.* (Awarded to attend the Association for Behavior and Cognitive Therapies conference; Philadelphia, PA; \$1000).
- University of Arkansas Honors Conference Grant. Pham, A. (2014). [Veilleux, J. C. (Mentor)]. *Is anhedonia a mediating factor between depression and suicidal and self-injury ideation? A longitudinal analysis.* (Awarded to attend the Association for Psychological Science conference; San Francisco, CA; \$1000).
- University of Arkansas Honors Conference Grant. Kauffman, A. (2014). [Veilleux, J. C. (Mentor)]. *The interactive effects of emotion constraint beliefs and experiential avoidance on symptoms of psychological distress.* (Awarded to attend the Society for Personality and Social Psychology conference; Austin, TX.; \$1000).
- University of Arkansas Honors Conference Grant. Salomaa, A. (2013). [Veilleux, J. C. (Mentor)]. *Predicting experiential avoidance from beliefs about emotion and regulation.* (Awarded to attend the Association for Behavioral and Cognitive Therapies conference; Nashville, TN; \$800).
- University of Arkansas Honors Conference Grant. Skinner, K. (2013). [Veilleux, J. C. (Mentor)]. *Multidimensional experiential avoidance and psychopathology: Differential facets as unique predictors.* (Awarded to attend the Association for Behavioral and Cognitive Therapies conference; Nashville, TN; \$1000).
- University of Arkansas Honors Conference Grant. Wood, J. D. (2013). [Veilleux, J. C. (Mentor)]. *How emotion regulation and beliefs about emotion influence symptoms of psychological distress.* (Awarded to attend the Association for Behavioral and Cognitive Therapies conference; Nashville, TN; \$750).
- University of Arkansas Honors Conference Grant. Skinner, K. (2013). [Veilleux, J. C. (Mentor)]. *Personality traits and alcohol use: Self-regulation moderates the relationship between extroversion and hazardous drinking.* (Awarded to attend the Association for Psychological Science conference; Washington, D.C.; \$1000).
- University of Arkansas Honors Conference Grant. Skinner, K. (2013). [Veilleux, J. C. (Mentor)]. *Drinking to regulate emotions: A mediation and moderation of affect intensity and drinking to cope.* (Awarded to attend the Society for Personality and Social Psychology conference; New Orleans, LA.; \$1000).

Mentee Grants/Fellowships Submitted

- State University Research Fellowship. Honors Student: Welch, K. (2019). [Veilleux, J. C. (Mentor)]. *Kids (Ain't Alright): College Students and their Parents' Beliefs about Emotions in Relation to Overparenting.* (Submitted October 2019). **Unfunded.**
- Ruth L. Kirschstein National Research Service Award (NRSA). Student: Skinner, K. [Veilleux, J. C. (Mentor)]. *Metacognitive beliefs about thought controllability influencing overeating episodes in obese individuals.* Submitted August 2016. Unfunded.
- Mental Health and Substance Abuse Services Minority Fellowship Program. Student: Baker, D. [Veilleux, J. C. (Mentor)]. Submitted February 2016. Unfunded.
- National Science Foundation Graduate Research Fellowship. Student: Skinner, K. [Veilleux, J. C. (Mentor)]. Submitted November 2015. Unfunded.
- Southern Regional Education Board Doctoral Scholars Program. Student: Baker, D. [Veilleux, J. C. (Mentor)]. Submitted February 2015. Unfunded.
- National Science Foundation Graduate Research Fellowship. Student: Skinner, K. [Veilleux, J. C. (Mentor)]. Submitted November 2014. Unfunded but received Honorable Mention.

- State University Research Fellowship. Honors Student: Sprute, H. (2014). [Veilleux, J. C. (Mentor)]. *The effects of mindfulness techniques on restrained eating through the lens of the goal conflict model of eating behavior*. (Submitted October 2014). Unfunded.
- National Science Foundation Graduate Research Fellowship. Student: Pollert, G. [Veilleux, J. C. (Mentor)]. Submitted November 2013. Unfunded.
- National Science Foundation Graduate Research Fellowship. Student: Salomaa, A. [Veilleux, J. C. (Mentor)]. Submitted November 2013. Unfunded.
- National Science Foundation Graduate Research Fellowship. Student: Skinner, K. [Veilleux, J. C. (Mentor)]. Submitted November 2013. Unfunded.
- State University Research Fellowship. Honors Student: Kauffman, A. (2013). [Veilleux, J. C. (Mentor)]. *Tolerating discomfort and distress until depleted to desire: The effects of distress tolerance on eating behavior for restrained and unrestrained eaters*. (Submitted October 2013). Unfunded.
- State University Research Fellowship. Honors Student: Skinner, K. (2013). [Veilleux, J. C. (Mentor)]. *Personality, drinking motives and emotion regulation: Independent predictors of alcohol use across the lifespan*. (Submitted October 2013). Unfunded.
- State University Research Fellowship. Honors Student: Wood, J. (2013). [Veilleux, J. C. (Mentor)]. *Music, emotion regulation, and distress tolerance: Investigating how music may influence distress tolerance in college students*. (Submitted October 2013). Unfunded.
- National Science Foundation Graduate Research Fellowship. Student: Zielinski, M. J. [Veilleux, J. C. (Mentor)]. Submitted November 2012. Unfunded.

Clinical Experience

- 2011-present Psychological Clinic, University of Arkansas
- 2010-2011 Southwest Consortium Pre-doctoral Psychology Internship (Albuquerque, NM)
- 2007-2008 Neuropsychology Extern (University of IL at Chicago Dept of Psychiatry)
- 2004-2010 Office of Applied Psychological Services (UIC Psychology Department Clinic)

Attended Workshops and Training

Item Response Theory (2014). Presented by William Skorupski (Sponsored by the Institute for Measurement, Methodology, Analysis & Policy at Texas Tech University).

Unified Protocol for Transdiagnostic Treatment of Emotional Disorders: Core Treatment Strategies and Recent Developments (2013). Presented by James Boswell, Shannon Sauer-Zavala, Matthew Gallagher, Todd Farchoine, and David Barlow (sponsored by the Association of Behavioral and Cognitive Therapies).

Developing Skills in Acceptance and Commitment Therapy (2010). Presented by Steve Hayes (Sponsored by the University of Denver, Graduate School of Psychology and the Colorado Chapter of the Association for Contextual Behavioral Science).

Tourette Syndrome Workshop (2009). Presented by Douglas Woods (sponsored by the Tourette Syndrome Association).

Fundamentals of Motivational Interviewing (2008). Presented by Walker Tisdale, III & Anthony Galloway (sponsored by the Howard Brown Health Center).

Power Analysis and Sample Size (2007). Presented by Jerry Hintze (sponsored by the Association for Psychological Science).

Dialectical Behavior Therapy: From Soup to Nuts (2006). Presented by Marsha Linehan & Kathryn E. Korslund (sponsored by the Association for Behavioral and Cognitive Therapies).

Professional Service

- 2019-current Director of the Psychological Clinic
- 2013-current Faculty advisor for the University of Arkansas Psychology Club
- 2012-2014 Co-advisor for the University of Arkansas chapter of the Golden Key Society
- 2010-current APA/CCTC Workgroup on trainees with problems of professional competence
- 2010-current Ad Hoc Journal Reviewer:
Addictive Behaviors, Assessment, Basic and Applied Social Psychology, Eating Behaviors, Emotion, Journal of Consulting and Clinical Psychology, Journal of Contemporary Psychotherapy, Journal of Happiness Studies, Journal of Health Psychology, Mindfulness, Nicotine & Tobacco Research, Personality & Individual Differences, Personality Disorders Theory Research and Treatment, Psychology of Addictive Behaviors, Psychiatry Research, Stress and Health
- 2008-2010 Council of University Directors of Clinical Psychology (CUDCP)
 Student Representative to the Board of Directors
- 2008-2009 UIC TA Orientation Experienced TA
 Panels: "Grading writing" and "Secrets of our Success"
- 2008 Assistant to the DCTs [assisted with APA-accreditation review]
- 2007-2010 Council of University Directors of Clinical Psychology (CUDCP)
 Program Liaison
- 2006-2008 Council of Graduate Students elected student member
- 2006-2008 Graduate Student Council Representative
 Sub-Committee (2008): Teaching Development Task Force
- 2006-2010 Ad Hoc Journal Reviewer:
Addictive Behaviors, American Journal of Psychiatry, Annals of Behavioral Medicine, Cognition and Emotion, Journal of Abnormal Psychology, Nicotine & Tobacco Research, Psychology of Addictive Behaviors
- 2005-2008 Clinical Division Assistant
- 2005-2008 Psi Chi graduate school panel
- 2005-2007 Clinical Division Student Representative
- 2005-2006 Clinical Division Website Committee
